

March 12, 2026

Hello Ladies,

Golf is just around the corner. Let's get this season started. According to the contract from Crosswinds, we need to have 16 players to have a league. I indicated on the contract that I returned that we would have 14-16, but getting to 16 would be awesome. We finished last season with 12 players. I have confirmed two new folks already. Please help recruit a couple more. The green fee and cart fee will stay the same this year. Our 9-hole league rate will be **\$15 per player** and carts will be \$9 per player. As it was last year, each player must check in at the clubhouse and pay their weekly fees prior to going to the tee. Subs will be required to pay the appropriate fees the weeks they agree to fill in also.

I MUST KNOW if you intend to join the league by April 6, 2026. Crosswinds Golf Course needs to have our complete roster by **April 13, 2026**. I will also have to complete the tee-time schedule prior to our first night of golf. Of course, all of this happens just before we hit the stage for our special needs production of **Finding Nemo, Jr.** (April 17-19, if anyone wants to make the trip). No worries, I've mastered "**Just keep swimming**" and will work very hard to avoid the supraesophageal ganglion in the "**Big Blue World**". I already knew that "**Fish are Friends, Not Food**" and have always lived by that motto!

Our sub list could use a few more names, so if you are recruiting, make sure that option is presented too. If you know someone who may be interested, please let them know about us. Please feel free to share this letter with them, give us their email address and contact information or have them contact us. As always, the mission of our league is to have fun and make friends while playing this humbling game we all enjoy (sometimes).
